State law requires us to use our best efforts to collect and report the name, mailing address, occupation and name of the employer for individuals whose contributions exceed \$100 for an election.

**The State of Ohio allows a tax credit of up to \$50 per individual and \$100 per couple for donations to state campaigns.**

Corporations cannot give to state candidates, but professional partnerships and other entities, such as law firms, can contribute.

Please make your check payable to Citizens For Garland and mail this contribution sheet and your contribution to:
